I have read the materials available for the County's Group Insurance Program (Program). I authorize the County to make a payroll deduction for my benefit elections for 2017. If I pay directly for benefits insurance, I will promptly pay the cost or benefits will terminate. I understand that I can only change my elections during the year if I have a status change (see Summary Description). I also understand that the County may adjust my elections. I authorize the release of enrollment information to entities such as benefit carriers to the extent necessary to properly administer my elections. I understand that electing benefits to which I or any other person is not entitled is considered fraud and if I misrepresent my eligibility or that of any other person, or fail to take the steps necessary to remove ineligible dependents, or in any way obtain benefits to which I am not entitled, benefits will terminate. In addition, I must repay any claims which have been paid inappropriately, and I may face dismissal or charges. I understand that the County expects to continue the Program, but it is the County's position that there is no implied contract between employees and the County to do so. I also understand that the County reserves the right at any time and for any reason to amend the Program, subject to the County's collective bargaining agreements. The County may also amend the Program, prospectively or retroactively to comply with applicable law.
